 - We can become 'Awakened' (& Resolved & Happy) via **Knowledge & Practice** of the Reality of Coexistence.

- We share this for Universal Good

Questions Intriguing Humanity

What is 'out there'?

How did we get here?

what is the **world** made of?

what is our **purpose** in this world?

what do we really **want**?

why are **people** the way they are?

why do we humans even have these **questions**?
