

Saha-Astiva Vad (Madhyasth Darshan) Prospectus

The Vision:

"An Awakened, Undivided Human Society & Global Humane Order,
living in balance with Nature."

The Core Pillars of a Wholesome Society

Our long-term goal is to cultivate a global community rooted in complete alignment across individuals, families, society, and the planet.

Dimension	Ultimate Objectives
Every Individual	• Possesses the intellectual understanding & inner-awareness to live a wholesome life. • Is comprehensively happy, peaceful, and contented. • Is free of illusion & delusion regarding Reality and Human Living. • Is imbued with Humane Conduct, free of criminal or inhumane tendencies.
Every Family	• Experiences true material prosperity. • Enjoys fulfilling and nourishing relationships.
Human Society	• Built on mutual trust and completely free of violence. • Free of material inequity (a perfect balance between rich and poor). • Practices Humane Culture & Civility. • Remains Undivided (Human Race is ONE, Human Religion/Dharma is ONE).

Global & Ecological Organization Systems

We advocate for **Self-Governing, Family-Centric, Village-Based National & Global Systems** designed to:

- **Promote Core Pillars:** Encourage and advance Humane Education, Health, Humane Justice, Humanistic Production Systems, and Fair/Just Trading Systems.
- **Align with Universal Goals:** Remain synergistic to the Universal Human Goals of Resolution, Prosperity, Fearlessness, & Coexistence.
- **Enrich the Planet:** Maintain and enrich the balance in natural systems, ensuring human activity is free of pollution and resource depletion.
- **Protect the Climate:** Ensure human progress never disturbs the climatic and seasonal balance in Nature.

The Path to Achievement

This vision shall be achieved via a profound qualitative improvement: **shifting humankind from animal-consciousness to human-consciousness.**

May Earth be Heaven, May Humans be Divine, May Dharma be successful, May Goodness arise forever.
Human Race is One, Human Dharma is One.
